From "Teets Family History" notes given to West Virginia Wesleyan College (WVWC) Library by Boone and Greta Teets Proudfoot, and also notes taken by Anna Lee Teets Conner (probably from the Proudfoot notes):

"The Teets family is of German origin. In Germany they spelled their name Tietz.

Jacob Teets is the first Teets of which we have definite information (1st generation). His father came to the United States from Germany and settled near Washington D.C. and from this point the family scattered. The father seems to have moved to Brandonville West Virginia not far from Aurora West Virginia in Preston County.

Jacob Teets married Barbara (Barbary) Miller in Shenandoah County Virginia. The Millers lived near Woodstock Virginia. Jacob and Barbara Miller Teets lived on Branch Mountain about 25-30 miles from Moorefield in Hardy County. They had a large family of 13 children." He was also known as Jacob Dietz (300). "I believe this Jacob Teets along with Michael and Christian Teets fought in the War of 1812 in the 2nd regiment with Captain Evans in the Virginia Militia. Jacob married Barbara Miller and Michael married Margaret Miller. They were probably cousins who married sisters or cousins.

There is always the possibility that Jacob, Michael and Christian were brothers, but I don't know. More likely cousins. Michael and Jacob always deserted together when they wanted leave from the military." He was also known as Jacob Tetes (300). He was also known as Jacob Deets (300). He made quite a bit of money working at whatever, then in New Orleans, got into a big poker game. He liked to gamble. Les said that is why he was called "Dice". Possibly no one knew what his given name was. He won a lot of money in the poker game; left and the men from whom he had won the money, jumped him outside; shot him with a 12-gauge shotgun (blew him away). Dad was an honorable man, and I was always very proud of his accomplishments. He died too young, of leukemia, at age 44. When he was a young man, he was a painter with his father Leslie Teets Sr. He also was a good carpenter, and he and his dad built our houses on Pocahontas Street, side by side. I remember the pride he had when he was elected City Councilman. He worked typically 7AM-9PM every day at the Esso gas station that he owned/operated, unless someone could help him out (like me, usually). He also had a lot of pride in making a success of that gas station when several others before him had failed financially at that same location. Back then, when you pulled into a gas station, the attendant would wash your windshield and back window, check the air in your tires, check the oil, all before charging you 25 cents/gallon of gas!

He died on Aug 16, 2004 at San Marcos, Hays, Texas, at age 74. He was buried on Aug 20, 2004 at Evergreen Cemetery, Gustine, Comanche, Texas.

Leslie Teets, Jr. was born November 03, 1929, the youngest of four children - to Leslie Teets and Delphia Stansberry Teets. His place of birth was Buckhannon, West Virginia, which is located in the north central part of West Virginia. His older brother's names were Dennis Billy and John Jay; his sister was Anna Lee who later adopted the name of Ann.

Leslie attended the East Main Street elementary school and graduated in 1947 from Buckhannon Upshur High School. While a student in high school he played football. He always strived to improve himself in education. At one point in his life, he selected a word from the dictionary each day, and in that way improved his vocabulary which he maintained in later years.

After high school he served in the National Guard of West Virginia and received an honorable discharge in September 1950. He attended West Virginia Wesleyan College in Buckhannon, Marshall College in Huntington, West Virginia and graduated with a Bachelor of Arts degree from Fairmont State College of West Virginia in August of 1951.

His reenlistment in the West Virginia National Guard resulted in a second honorable discharge January 1952. Following this service, he joined the United States Air Force at the height of the Korean War, also January 1952. He described his duties as varied, generally as clerical and administrative. During the course of three years, nine months he was stationed at Sampson AFB, Geneva, New York; James Connally AFB, Waco, Texas; Harlingen AFB, Harlingen, Texas; Johnston Island AFB: Pacific Theater; and West Palm Beach AFB, Florida, where he was honorably discharged with the rank of Staff Sergeant in October 1955.

Immediately upon being discharged, he was employed by Curry Chevrolet Company in Buckhannon, West Virginia, as a dealer management trainee. He was enrolled at General Motors Institute in Flint, Michigan, for two months; then discontinued this schooling to accept a full time position as a Chevrolet salesman for the company named above. His wife- to- be was employed by this firm as a bookkeeper. After being with this company one year, Leslie and Barbara (Bobby) Jean Melton were married and moved to Oscoda, Michigan, where for a short time, Leslie was sales manager for an Oldsmobile Dealer.

After touring parts of the Southwest, West and West Coast of the United States, Leslie and Bobby decided to settle in Arlington, Texas in March of 1957. Here he was employed by Vandergriff Chevrolet Company as a new car salesman until September 1958. He then made the decision to enter North Texas State College in Denton, Texas, and the teaching profession. In 1959, he and Bobby moved to Denton where later their first son, Ricky was born. Upon completing certification requirements in the field of business education in January, 1960, he was a substitute teacher in Lewisville and Dallas, Texas during the winter and spring of 1960. The following fall he was employed by the Stephenville, Texas Public Schools as Distributive Education Coordinator-Teacher for Stephenville High School. In 1961 his and Bobby's second son, Todd was born. Leslie did a lot of extra-curricular activities with his students, often including the family on excursions. Something of note, he wrote an autobiography of his life up to that point. He wrote that his greatest inspiration was his mother. Through tough economic times, she was a wonderful wife, mother, housekeeper, cook, nurse, a good neighbor and more. He was especially impressed that over a period of ten years, when

she could find the spare time, she crocheted an elaborate bedspread. He felt that her perseverance for her goals, inspired him to pursue his own goals of self-improvement through higher education.

In the summer of 1964, Leslie received an opportunity to become a manager of Sears Catalogue Stores. He trained for a few months at various stores in south Texas while he and the family awaited the birth of Meri in September. Prior to Meri's being born in Seguin, Texas, Leslie had received an assignment as manager of a store there. While living and working in Seguin, he supervised the building of a new store, and was also manager of stores in nearby towns. In July of 1967, he was transferred to Alice, Texas, where he again was instrumental in having a new store built.

In the summer of 1970, Leslie went to work for Houston Natural Gas Distribution as a sales representative for the Gulf Coast Division. He and the family lived in West Columbia, Texas for two years until a promotion to corporate headquarters in Houston, resulted in a move to northwest Houston. One year later, Leslie accepted the position of manager of a gas company office in El Campo, Texas. He also oversaw neighboring small towns as manager. Later, he was employed as a district manager. During the years he managed stores and offices, he was a member of the Jr. Chamber of Commerce in Stephenville, the Lions Club in Seguin and Chamber of Commerce in El Campo. His and Bobby's children did most of their growing up in El Campo; then eventually left for college and other pursuits. In the early 80's, Leslie commuted to a district office in Richmond, Texas, where he was a natural gas consultant for Entex, Inc. He arranged to have natural gas installed into new subdivisions as they were being built. In 1983, he and Bobby moved to Richmond where they lived until 1993. In 1987, Leslie took early retirement at the age of fifty eight years. February 1993, he and Bobby moved to Marble Falls where they both enjoyed a year and a half of retirement. They then decided to go back to their home town of Buckhannon, West Virginia, to help care for family members. They returned to Texas in April of 2001 where they lived in Seguin, thirty four years after they had lived there in the 1960's. Leslie's health was declining and he was diagnosed with Alzheimer's in October, 2001. March 2002, they moved to San Marcos to a retirement community, in order to be near their son, Todd. Because of Leslie's illness, he entered Hays Nursing and Rehabilitation Center and later to Care Inn of San Marcos, in November of 2003.

Thus far, I have stated the statistics of Leslie's life. In addition to his growing up days, education, military service and jobs, he led a most interesting life. In his boyhood days, he loved the outdoors. He liked to fish, hunt and swim. He loved to visit his grandparents who gave him the experience of seeing grain ground at a mill. To get to the mill, he rode a farm horse. They transported the grain with a wagon. He inherited a pie cupboard made of walnut that his grandfather built. The grandfather also built a youth size bed that still has the original bolts to hold the frame. Leslie had fond memories of both sets of grandparents. While he and Bobby were in West Virginia during the 1990's, they visited the old home place of his great grandfather. The summer of 1998, they helped organize a family reunion of the descendants of his great grandfather Stansberry. Leslie helped relatives make up photo and family history packets to be given to each family who attended the reunion. More than a hundred people enjoyed the weekend reunion, many of them having traveled great distances from various parts of the United States. There was much reminiscing of being in Buckhannon as children visiting their relatives.

Over the years of being in college and the military, Leslie made many friends with whom he stayed in touch. In traveling the different states and having the many jobs, he and Bobby met people from all walks of life. While on Johnston Island in the Air Force, Leslie taught himself photography and learned developing of photos. He snorkel dived for sea shells which have graced their homes ever since. When the children came along, he taught his love of fishing, hunting, camping and hiking to the boys. Meri and Bobby went along on several of the camping trips and went to deer camp a few times. One of Leslie's hobbies was tying flies for fishing. He also was a stamp collector for a few years. He loved to travel and did a great deal of it. He made trips to Colorado, New Mexico, Nevada, California, Big Bend, Texas; Florida, West Virginia and points in between. People who made these trips with him were his and Bobby's eldest son, Ricky, a great nephew, Robert, a close friend, Jack, and Bobby's Uncle Charley. at different times. He and Bobby also traveled to Big Bend National Park in Texas with Leslie's sister, Ann, her husband, Gene and Uncle Charley. They all had lots of fun traveling in an S-10 Blazer for a week. They did some hiking and sightseeing in general. In June of 1989, he and Bobby had a memorable camping trip in Colorado; they toured the Royal Gorge in Colorado Springs, old mines, ghost towns, fished the many streams and visited some good friends in Grand Junction. In later years, his greatest joy was driving the back roads in Texas and West Virginia in his S-10 Blazer. While in West Virginia, he got re-acquainted with a cousin, Eugene, who helped him repair a small family cemetery. He liked to be with older people and was very interested in genealogy. He acquired a journal that one great grandfather had written while building a church. He spent time with relatives who could remember much of what happened in the family during their lifetimes. From the time he could use a camera, he was the family photographer. He photographed wild life and the flora and fauna of wherever he happened to be. The years he and Bobby were in West Virginia he spent two winters filling photo albums from more than fifty years of saving the photos. Leslie and Bobby have three children, Ricky, Todd and Meri; eleven grandchildren, Kira, Jeremiah, Josh, Justin, Jared, Kelsea, Jacob, Danen, Joey, Kayti and Nikki and one great-grandson, Colt. They were also blessed to have a godchild named Hope. For a period of time, they had the care of her as a six month old baby who grew into a toddler. Leslie, Bobby and the family enjoyed many happy hours of teaching her to eat, walk, and play. Hope traveled with them to the beach or to visit friends. Sometimes Hope's siblings, Ann, Dawn and Neal stayed with Leslie and Bobby, as long as a week. Leslie also had many nieces and nephews who loved to spend time with him.

Leslie was a very active person. He and Bobby started walking in El Campo before it was "cool" They continued to walk in West Virginia, often in the snow. He liked the snow and the autumns when the leaves on the trees changed color. He liked to garden and raised tomatoes that supplied the neighborhood. He liked to have their homes neat with lawns mowed and garages that would actually hold cars instead of junk. He was proud of the fact that he and Bobby had owned and maintained six homes in Texas. He always took good care of the cars; spent many hours cleaning and polishing them. He was good to help older people who lived alone and needed things done for them. While in West Virginia, he and Bobby liked to have friends and family members come to visit so that they could take them sightseeing. One summer they had four of their eleven grandchildren and son, Todd to stay for a week. They took them to many scenic places in the state.

Leslie had a special friend who owns a working ranch in Gustine, Texas. He very much enjoyed being with David and helping with chores on the ranch. He learned things about raising cattle, repairing and building fences, irrigation, the crops that are grown in Comanche county. He and David and family, often with Bobby, and their family, enjoyed many hours together, whether visiting, ranching or even camping in their younger days.

Leslie led a full, productive life, had many friends and relatives who will keep good memories of him. He was proud of his education, serving in the military and of always moving forward in his endeavors. When his children were young, he loved taking them on trips, whether hunting, camping or traveling. He always had interesting things for them to do. The grandchildren will remember riding in the Blazer, going swimming with him, sightseeing, fishing, touring caverns, a coal mine and many other activities. In the seventy four years of his life he was known as Leslie, Junior. Les, Daddy, Dad, Teets or Pa-Pa. He will most certainly be missed by all of his loved ones. He also went by the name of (48) "Les." He lived on May 8, 1998 at Buckhannon, Upshur, West Virginia. Found a plaque that Les received in Seguin at American Legion; has his dates of service in Korean War- he never saw war duty; was a staff sergeant for US Air Force in Waco, Harlingen and Johnston Island in the South Pacific. Think he did clerical duty mostly in the states; on Johnston that was ,I think, a mile long and 1/4 mile wide, he was billeting officer. Johnston was a fuel stop for military planes; often servicemen's families were with them; Les was responsible for providing them a place to stay, usually overnite. he did a lot of snorkel diving for fish and shells and photography to keep himself occupied when off duty. In Waco, there was a terrible tornado; he had been lifeguarding at the pool; had to call everyone out due to weather. Later he helped clean up after the storm. I have pictures of his diving activities and color slides of his photography of the island. One time for R & R, he went to Hawaii for 2 weeks; I have wonderful slides of that trip. He had a great time touring the islands those 2 weeks. DATES OF SERVICE: Jan 1952 to Oct 1955 I met him Christmas Eve 1955 at Curry Chevrolet in Buckhannon. He was sponsored by Mr. Curry for a 2-year course at General Motors Institute in Flint, Mich. He was to go to school in Flint for 2 months, then go to the dealership and do hands on training for 2 months. These were to be alternated 2 months in Flint, 2 months at Curry's. During his training, he decided to become a salesman at Curry's. Long story, if you have interest, I can tell you more Bought his first car in Waco, new. Pontiac convertible.

317. JOHN JAY⁶ TEETS II (1) (*John⁵, Granville⁴, Anthony³, Martin², Jacob¹*) was born on Apr 14, 1941 at the family home on Meade Street, Buckhannon, Upshur, West Virginia, 38.989753,-80.222704. He married Donna Jeanne Raynes (4), daughter of Calvin Brent "Jay" Raynes (9) and Dorothy Rosabell "Rose" Johnson (36), on Oct 13, 1962 at Loch Lynn Heights, Maryland.

John went to grade school at the elementary school on the corner of Camden Avenue and Kanawa Street, then to Junior High on Camden Avenue, and then Buckhannon-Upshur High School, graduating in 1959 in the first class to graduate from the "new school" in Tennerton (now a Junior High). John's big classes in high school were math and chemistry, and of course, baseball and basketball for the Buccaneers. He drove the "coolest" Ford in town, a 1958 Ford 4-door hardtop with those long 7-foot "Mercury" skirts and a continental kit on the back. He also had to work at his dad's gas station up by Feola's Flowers every weekend for the privilege of driving the car on Saturday night and on other special occasions.

He was named 1st-Team All State Baseball Team in West Virginia in 1958 and again in 1959. Also, John led the good old B-U basketball team in scoring his senior year and was 1st-Team All Conference for the Bucs.

The college scouts from Southern Methodist University (SMU), West Virginia University (WVU), and West Virginia Wesleyan came calling, and John ended up staying in Buckhannon so he could play for Wesleyan Bobcats (actually, in retrospect, John was too "small town" to take on SMU or WVU).

In his college days at Wesleyan, John majored in Math, Physics, and Chemistry, and of course, baseball and basketball (actually, he majored in Donna, but that comes later). John was one of two freshman (the other was Bill Grimes) to make the varsity basketball team in the fall of 1959. That year, the Bobcats ended up 34-1, losing in the semi-finals of the national NAIA basketball finals in Kansas City. John was all-conference West Virginia Intercollegiate Athletic Conference (WVIAC) for four years in baseball, and was co-captain of the Bobcat basketball team in 1962-63 with Grimes. John was also very proud to be named to the

WVIAC 50 year All-Time All Conference Baseball Team. Grimes went on to become the first President of ESPN (yes, the sports channel we can't do without). Guess I turned out to be the small-town guy again...

But the best deal of John's college years was meeting Donna Jeanne Raynes. Donna is the daughter of Jay Brent Raynes (deceased in a motorcycle accident when Donna was 2 years old) and her step-father James Harclerode (deceased 2002) and Rosabell Harclerode who were married for 55 years (Rose later lived with Donna and John in Austin until her death in May 2006.). Donna was born on (can I say this?) April 13, 1944. Yes, John and Donna's birthdays are one day apart! Birthdays were usually celebrated on HER birthday, right? Right. Oh, well.

John met Donna at a dance. Yes, there were such things as community dances where the young folk could get together, talk, dance, and if they were lucky, maybe go for a ride in their parent's car to the local drive-in restaurant and get some pizza pie! Well, John just couldn't stay away from the best-looking B-U cheerleader there ever was! And she could dance like nobody's business!

John and Donna got engaged in his sophomore year (with great consternation from her "dad", because John was a college boy), and married Oct 13, 1962. He asked her for her hand at West's Drive-in movie theater. Awesome.

John III was born in 1963, and John II had to leave a few days after the birth to go play professional baseball in Arvida, Canada (affiliated with the Pittsburgh Pirates). Donna later arrived with John III by propeller airplane (a big deal back then), her first trip ever in an airplane. We had a great time in Canada that summer, and learned just a little French in the process.

In the fall of 1963, John attended WVU on a Teaching Scholarship (taught College Algebra to undergraduates) which paid \$60 a month. He also worked weekends at a filling station (experience from Buckhannon got him the job), and worked evenings 7-12PM at the computer center. We needed the money, and all those odd jobs helped us make it. WVU coach Jim Harrick came after John to be an assistant coach on the baseball team (John had gone 4-0 against WVU in his four years against them). After one year in graduate school, John got a job offer from IBM as a computer programmer, and it surely changed their lives. They moved to Endicott, New York. John worked at IBM in Owego, and later in Endicott. Donna also worked at IBM in Endicott. Shortly after moving to Endicott, Robert (1965), and then Darren and Duane (1969) were born. In 1977, they made the decision to move to Austin, TX with IBM. Will never forget that in 1977, Endicott set the national record for "fewest sunny days" at 43 sunny days (for an entire year!) -- and Austin AVERAGED 304 sunny days every year. That was enough for them!

The Teets lived at 10905 Spicewood Parkway for 23 years, then moved down the street (to #4 at the Spicewood golf course) in December 2000. In February 2007 they moved to 8908 Fairway Hill Drive, which is on #11 on the golf course at Balcones Country Club (you can see where these homes are by looking at this [map](#)). They love it there, and can watch the golfers go by every day, and John fiddles with his landscaping (or genealogy) while Donna plays golf with her shiny red golf cart with the fancy top! No one in the entire world loves golf like Donna Teets! She's now famous, you know...she had a hole-in-one in March 2004 on Spicewood #17, 120 yards with a 7-wood! Made the Austin American-Statesman golf column! (guess this is her 15 minutes of fame?).

John Jay Teets III was born in Buckhannon, WV on May 28, 1963. His Dad had to leave town four days later to play professional baseball in Canada. John went to elementary and middle school in Endicott NY, and graduated from Round Rock High School. He attended Southwest Texas (now called Texas State University) for one semester, but just wasn't ready for college at that particular time. He later went on to earn an Associates of Applied Science degree in Electronics from Austin Community College.

He attended elementary and middle school in Endicott NY, and Grisham Middle School in Austin TX after Mom and Dad moved to Austin in 1977. He graduated from Westwood High School and graduated with Barbie from Southwest Texas (Now called Texas State) with a degree in Computer Science.

During high school, Rob played basketball, and was a star guard for Westwood. He made Mom and Dad proud as a senior by stealing the ball, driving the length of the court, getting fouled hard by a Round Rock defender who didn't want to see him make a winning lay-up with a few seconds left on the clock...but Rob made both foul shots to win the arch-rival game. Yea!

Rob married his high school sweetheart Barbie Hurst, and they have two children, Taylor Ann and Dana Kay. Rob is a successful Marketing Manager for Intel.

Darren played baseball all over Texas as a middle school and high school player, finishing his career as a player by pitching for Westwood HS in the Texas high school state championship game in 1987. His mom and dad nearly had several heart attacks watching him play over the years, but they loved it!

During high school, Darren met and later married (thank heavens) Michelle Befort, and they now live in Austin with two children, Haley and Cassidy (a twin brother of Kyle, who died just after birth).

Duane had significant vision challenges as a young man, similar to "lazy eye", which required that he wear special glasses and perform special hand/eye/feet coordination exercises for quite a while. This kept Mom and sometimes Dad on their toes during this period.

He went to college at Texas A&M University, and is (of course) very proud of it. He majored in Psychology, and is now a Counselor at Running Brushy Middle School. We used to have fun at Thanksgiving every year watching UT-A&M football games (and still do!).

Duane met Janice on a dance floor, and they hit it off, and are now married with a large family; Taylor and Hayden Tomlin, from Janice's first marriage, and more recently, Cade and Avery. They enjoy going to Riverbend Baptist Church in Austin, where Janice is a terrific singer at a church with more musical talent than you can imagine (Austin is called the "live music capital of the world", and many of the talented musicians who are Baptist come to church there).
